sweet sex en suite

this month I'm in Chicago for a medical appliances convention, staying at a huge hotel on Michigan Avenue. As head of manufacturing for Medicare applications, I have a nicely appointed suite. Nice big bedroom, huge bathroom with jets in the tub, a two-head shower, and a small kitchenette off the living area. But my favorite area is the wet bar. Stocked with all sorts of liquors, I pour myself and her a drink to wind down after a long day. She, Brenda, is one of the models that demonstrates our products, and she does it very, very well.

She walks over to the bar and gets a maraschino cherry for her drink that I had forgotten. I step up behind her 5' 6" frame and start to work out some of the kinks in her back. She let out a small sigh and comment on how good it feels. We start some small talk about the day's events – who's going to close the deal with one of our major clients. After a few minutes her head tilts to one side, her long, hair brushes clear of her shoulder. I lean down and start to kiss and nibble at the base of her neck. She moans a little and smiles and leans back into me, enjoying my attentions. I stop the back massage and wrap her in my arms, left hand across her abdomen, right, across the top of her breasts. She moans lightly as she grinds her ass into my crotch.

Brenda raises and lowers her ass against me. I cup and slightly lift her ample boobs. She's not wearing a bra and my thumbs flicks across her pert nipples. I pinch her nipples, rewarding me with a gasp of pleasure. My left hand slowly slides down her flat stomach, stopping at her crotch. I can feel how wet she is through her slacks. I rub her pussy through them while my

right hand slips under her blouse and continues to play with her nipples. We continue like this for some time as I play at her neck, boobs and pussy. Brenda continues to grind into me as I work at her zipper. I undo her slacks and pull them down with her panties as I kneel behind her.

She steps out of all her clothes and I throw them over to the sofa. I bite an ass cheek and then

kiss and lick the spot I just bit. I spread her ass cheeks and lick her beautiful brown pucker. A low slow moan from her proves my attentions hit the spot. All pretense of resisting my affection fades and she spread her legs wider and bends forward at the waist, giving me perfect view of her lovely ass star. It quivers, quakes, and throbs as I suck, lick and probe it with my tongue. My left hand reaches around her thigh and my fingertips get drenched as they slide up and down her pussy lips, probing and pressing. My index finger finds her clit and I begin to tease her by just barely touching it. She moves her hips forward to meet my finger but realized that I stopped licking her ass when she do.

Soon she starts to maneuver, trying to find a way to get both pussy and ass pleased. I keep my fingers hovering, just barely touching her. I can see the juices dripping from her crotch,

Conventions can be very tiring. But there are ways to rejuvenate a tired body. I think I have found the most refreshing way. Try it next time.

She lays back and spreads her legs, lifting them to my shoulders as I position myself in front of her beautifully naked, sweaty body.

the smell is marvelous. She turns around and leans back on the counter and hikes a leg over my shoulder. I start by kissing the outside of the pleasure zone, slowly licking and kissing down one side and up the other.

Then my tongue flits across her pussy lips, giving me the first sweet taste of her juice. Slow moans escape her full lips as she digs her nails into the back of my head, trying to force me where she wants me to be, but I'll have none of that. My tongue is flat as I slowly lick her slit from its lowest point almost to the top stopping just before her clit. Long slow laps, over and over, poking and prodding, separating her lips, now and again licking a little deeper, to get to the velvet of her pussy. But I largely leave her clit alone. I flick it with my tongue now and again just to show her I know where it is. Each time I do I'm rewarded with a sharp intake of breath. While I'm licking her, my right hand is busy with her asshole. I get my fingers slick with her pussy juice and slowly run little circles around her tight rosebud. I apply just enough pressure to suggest penetration but not quite enough to let it happen. Not yet.

By now, her hips are bucking, eyes closed, one hand entangled in my hair. I sense she can't

take any more of this so I slowly push a finger in her ass at the same time I inch my index and ring finger into her hot pussy. In her pussy I easily find her G-spot and begin to massage it while I finely give her clit the attention she's been craving, sucking and licking and flicking it. The finger in her ass slowly pulses in and out of her. It's not long before all this sends her over the edge. Her knees begin to buckle as a mind numbing, body wracking, orgasm surges through her like a lightning bolt. Brenda cries as her orgasm produces gallons of sweet nectar. I drink it all. She almost crumbles to the floor, nearly spent. I catch her, and slowly stand her up.

I kiss her full on the mouth, my face sticky with her pussy juice. I lift her and carry her over to the huge coffee table in the seating area, her body still twitching from her orgasm. I put her down and grab a large pillow from the sofa and put it down on the coffee table. She lays back and spreads her legs, lifting them to my shoulders as I position myself in front of her beautifully naked, sweaty body.

Her lips are quite moist and as I lower my gaze, I can see the muscles between her pussy and ass twitch with anticipation. I take my cock

in my hand and rub its length up and down her pussy. I slowly, slowly, slide my cock into her waiting pussy. She grabs my hips and tries to get all of me into her faster. I penetrate her deep, up to the base of my cock. I can feel her pussy dripping on my balls. The table is still a bit low so I grab her hips lifting them off the table. I go long and slow the first few strokes. Then, making sure I'm fully coated with her juices and without warning I start to slam my cock in to her. I grunt and growl like

close to cumming. Her mouth feels too perfect as I grab thick handfuls of hair as she lets me fuck her throat. Just as I release my long ropes of cum into her hot mouth, she forces two fingers she'd been lubing with her pussy juice into my ass. The sensation is unimaginable! I cum so hard it almost hurts as load after load of jizz gushes down her throat.

She milks my cock of every last drop, pump-

Slowly I let her down and she drops down onto her knees before me and sucks my cock into her mouth, massaging my balls at the same time.

an animal as I use my arms and hips to fuck her with as much force as I can. She squeezes her boobs and pinches her nipples. She moans in time with my thrusts and grunts.

Brenda reaches for me, trying to sit up in the process. I grab her arms and pull her to me. She wraps her legs around me as I lift her from the table. I pump her up and down onto my cock as I stand in the middle of room. I can feel her nails digging into my back as another orgasm surges through her. I let her rest a bit, clinging to me, panting and out of breath. Slowly I let her down and she drops down onto her knees before me and sucks my cock into her mouth, massaging my balls at the same time.

Her mouth engulfs my cock head and I'm too

ing it with her hands as she sucks out everything she can. Brenda smiles and stands up in front of me, wiping cum off her chin with her fingers. She sucks her fingers clean right in front of me and gives me a deep tongue-filled kiss. We stand there, holding one another for a bit, softly kissing each other in the middle of the suite.

I lift her in my arms again and carry her into the bedroom. I nuzzle my nose between her breasts, taking in the smell of her sex, and she's playing with my cock and balls while cooing and making soft sexy noises. We get into the bed and fall asleep quickly. My cell phone rings an hour later. It's my wife. She asks about my day and I tell her quietly and then tell her I'll call her tomorrow. She says she can't wait to see me.

An angel on the streets, but a devil between the sheets, Sunny is totally aggressive in the bedroom. There isn't a position she hasn't yet tried or is willing to try. "I strive to be the best at whatever I do. And if that includes sucking and fucking, then that, too." We hear you, and appreciate the talents you bring to the boudoir. It's rare to find a woman who is willing to still give it her all after all the years of cock sucking and pussy eating.

They say the key to longevity is good self care. If that's the case, then I expect a long and healthy life. I eat well; I'm never stressed; and my physical and mental health are perfect thanks to getting regularly worked out. With or without my clothes on, I have men begging to fill me with their seed.

SHARE AND SHARE ALIKE

This summer, I was on spring break with my new wife, Steffi. We were in South Padre Island – out to dinner with some college friends, Justyn and Farah, and after several bottles of red wine we were all feeling a little tipsy, and a little friendlier. We went back to their hotel room to play a few hands of poker and watch some TV. We played a couple hands and my wife, Steffi, won both of them. Then Farah suggested we up the stakes: strip poker. Steffi and I looked at each other and I said I was game if she was. She was a bit hesitant, but after winning the last two hands, she felt quite confident.

I knew Justyn had eyes for Steffi, and I kinda had a hard-on for Farah, so I was all for it. Farah dealt the first hand and Steffi won again. We all took off a small piece of clothing and had another round of drinks. Four more hands and some of us were down to our civvies. I had on a T-shirt and boxers; Steffi was in her bra and panties; Justyn was just in boxers

and one sock, and Farah was in bra, panties, shirt, and she still had her smile on.

It was now my deal. We were drinking and laughing as bets were made. Justyn won and I dropped my shirt, Steffi her bra, and Farah stood up and started a little dance as she began to undo the buttons on her shirt. All of a sudden Steffi got up and started to help her. She reached down between Farah's legs and pulled the panties off of her. Throwing them over to me, I caught them and twirled 'em around, egging the girls on. As Justyn and I looked on, they started kissing each other and Farah reached over and pulled off Steffi's bra and then pulled down her panties, throwing them to Justyn. She then gently pushed Steffi onto the table and grabbed her knees to spread them. She lowers her head into Steffi's crotch and begins to lick her. We guys watched as she licked and stuck her fingers inside my wife's wet pussy.

I get up first and position myself behind Farah. I drop my boxers and slip my cock inside her as she continues to lick Steffi. Justyn saunters over beside Steffi and offers his hard dick to her mouth. She obliges and grabs his ass to pull him closer to her. Justyn and I grab a couple of the wine glasses from the table and toast each other over the girls. Farah then stands up and pulls me out. She seats herself next to Steffi on the poker table and motions me to continue fucking her as she opens her legs and gets into position for my cock. Justyn takes advantage of the change and moves around to drop between Steffi's legs and now he begins to lick her. I watch as he sucks my wife and he watches as I fuck his.

All of a sudden Justyn gets up and lays down on the table. Steffi proceeds to rub him back to hardness. Her mouth works on his cock and he's instantly hard again. I'm still fucking Farah and she begins to moan that she's cumming. I pump harder and feel her wave of orgasm as she bucks and shakes the

table. Justyn seems to have made a miraculous recovery and Steffi brings him to climax taking his jizz in her mouth and then spitting it into a wine glass. It seems that both of our friends have cum so Steffi and I are left to finish off ourselves. She grabs me by my stiffie and pulls me to the bed. Immediately she sits on the bed and pulls my cock into her mouth. She works it like a pro and then leans back and guides it into her damp pussy. I can't resist banging her as hard as I can and we end up fucking our heads off.

In the morning we called our friends to see how they were. Farah says they are both fine and had a great time last night. We agreed and said that we should do it again next time we spring break. I think we're going to plan another trip here next month and not wait for spring break.

– Samuel, El Paso

AND HERE'S TO YOU MS ROSEN

Who would have thought my best sexual experience would be in a bank branch just off campus where I work part time. After closing one night, I was cleaning the banking floor as normal when I hear someone upstairs, so I went up to see what was going on. I walked down a hallway to the far office and to my surprise, there was the manager Ms. Rosen laying on the couch naked, sliding a dildo in and out of her pussy. She is a good looking woman – early thirties, nice 36-C boobs. She was oblivious to me watching her. I stood there several minutes, my cock stiffening. Suddenly, she noticed me standing in the doorway and without hesitation, smiled and said why don't I come in. I didn't think twice and went over to her. She sat up and undid my pants and slid them down. She took my cock in her mouth sucking on it, making it even harder.

Mrs. Rosen laid back on the couch, legs wide open, and in a second I was naked and between her legs and slid my cock into her until all of it was up her hot wet pussy. I plunged in and out of her, banging my balls against her soft ass cheeks. She wrapped her legs around me and was bucking against me as she was cumming. I was inside her, banging her until I shot my load of juice up her fucking soaking wet

pussy until I went limp. After catching our breath, we both got dressed, she went home and I finished cleaning the offices.

Everything went on as usual for about a week until one evening I saw she was working late and she was wondering if I eat pussy as good as I fuck. I said, well there is only one way to find out. She wants to find out. She did not mince any words. She said she'd be off tomorrow, come over to her home after nine. She gave me her address and insisted that I be right on time.

*She sat up and undid my pants and slid them down.
She took my cock in her mouth sucking on it, making
it even harder.*

As I fucked her, I had her stretched out in the wishbone and pounded that cougar pussy the whole day. The bed rocked back and forth, her loud moanings were the only sounds in the place. She let out a moan and said 'fuck me harder.'

The next morning I was with her in the bedroom. Both of us naked. I went down and ate pussy, nice and plump and pink, licking and sucking her clit over and over until she was cumming. I slid my tongue in her pussy and she was moaning and pushing her pussy against my mouth. She whispered that she was ready for me, and my cock. I worked my way up over her body as my cock found it's target. I had her legs over my shoulders, thrusting into her.

As I fucked her, I had her stretched out in the wishbone and pounded that cougar pussy the whole day. The bed rocked back and forth, her loud moanings were the only sounds in the place. She let out a moan and said 'fuck me harder.' I was more than happy to do so, taking her legs over my shoulders and shoved my cock deep into her, fucking her, pounding her, her boobs bouncing.

Her pussy tightened around my cock as she was cumming again and she said 'don't stop.' I didn't until I exploded and filled her pussy with my cum and

then went limp. But Ms. Rosen still wanted to fuck some more. She sucked my cock hard again, straddled me and we fucked until we both came again.

Everytime we have sex, she says she's in paradise and lays there with her mouth open and her eyes rolled inside out. Sometimes she tends to doze off with my dick still inside her. She tells me it feels so good, she can fall asleep during intercourse. But somehow we still manage to have the best sex possible. She says she is so addicted to me and never wants me to go. I try not to go, but I always try to come.

But evening does come around and I must go. I showered and dressed. She puts a robe on. Before I left, she said she wanted to meet once a week. I agreed and we made the arrangements. Every Friday night, after dinner but before eight. That is why I have always loved sex with an older woman. They know what they want.

– Jude, Buffalo

I'm about to celebrate my next birthday. Ever since I lost my virginity, I haven't been able to really get off without a big cock inside me. Yeah, I can diddle myself tot get off, and even have a little vibrating help when I need it, but a cock is the real thing and I want one. No... make that two!

I have to admit that I like trying new things and right now I like the thrill of being naked in other people's houses. No, not my boyfriend's house, but maybe his parents. First there is that thrill of getting caught. The fact that there is the possibility of that happening is enough to get my adrenaline pumping! After all, you don't fuck in your same old bed at home every time. Now do you?
